Subject: Trump LA - Phase II

Hi everyone,
Hope you are all well. As you know, we have a number of improvement plans that have been submitted and are pending with the City. We are excited with the progress that has been made on Phase II and look forward to continue working with the City to keep the project moving forward as quickly as possible. Accordingly, we would like to propose a meeting of our teams to discuss the current submissions, timing, and requirements going forward so that we are all working as efficiently as possible. Please let me know some dates/times in which your team (Ara, So, Ron, Elias) are all available and we will work to set a date.

Thank you for all your hard work on this project.

Best,
